

Dear Colleagues,

We would like to remind you that the XXIII European Conference on Food Chemistry (**EUROFOODCHEM XXIII**), the profile congress of the Division of Food Chemistry of the European Chemical Society, will be held in **Bratislava, Slovakia, from 11 to 13 June 2025**.

It is a great honour that the Slovak Chemical Society, the National Agricultural and Food Centre, and the Faculty of Chemical and Food Technology of the Slovak University of Technology in Bratislava have been entrusted with the organisation of such an exceptional event.

We would like to draw your attention to the upcoming deadline for **abstract submission for oral presentation 21 February 2025**. Abstracts for **poster presentation** can be submitted until **31 March 2025**. We are pleased to inform you that a **new networking opportunity** is opening. You can submit abstracts for **project presentations** with the specific aim of fostering collaboration between institutions and finding partners.

It is our honour to introduce the invited excellent plenary speakers who will provide us with their views and experience in the field of food chemistry and technology. There will be an extraordinary opportunity to meet:

Prof. Vincenzo Fogliano

Professor of Food Quality & Design group at Wageningen University and R&D director of Arterra Bioscience Wageningen, Netherlands

Prof. Michael Murkovic

Graz University of Technology, Institute of Biochemistry Graz, Austria

Prof. Vural Gökmen

Professor of the Food Engineering Department at Hacettepe University Ankara, Türkiye

Prof. Manuel A. Coimbra

Full Professor at the Department of Chemistry of University of Aveiro, Portugal

Prof. Peter Šimko

Professor of Food Chemistry and Technology at the Slovak University of Technology in Bratislava, Slovakia

Robert Wolff

Senior Business Developer, SINTEF, Norway

Soon we will also introduce other honoured plenary and keynote speakers.

You are cordially invited to join us,

Zuzana CIESAROVÁ
Chair of EUROFOODCHEM XXIII
